

**Riverside County Enterprise  
Information Systems Security Policy  
Remote Access Agreement**

I have read, understand and am fully aware of the terms of the County of Riverside Enterprise Information Systems Security Policy, especially as applied to remote users of the County's information systems; and I agree to comply with the terms of this policy. I also agree to remain informed of and comply with future revisions to this policy.

As a remote user of the County's information systems, you will have unique access to sensitive resources that are connected through the County network. To assure security throughout the entire County network, it is critical that all remote users actively support and fully comply with the measures described in the Enterprise Information Systems Security Policy. Failure to comply can place the entire County network at serious risk; and remote users who fail to comply will be subject to disciplinary action.

Remote users of the County's information systems shall at all times act in accordance with all applicable laws and County policies, rules or procedures. Remote users shall not use County information systems in an improper or unauthorized manner.
