FROM: Riverside County Auditor-Controller

SUBMITTAL DATE:

June 14, 2016

SUBJECT: Internal Audit Report 2016-001: Riverside County Department of Public Social Services, Countywide Contract Amendments and Competitive Bidding [District: All]; [\$0]

RECOMMENDED MOTION: That the Board of Supervisors:

1. Receive and file Internal Audit Report 2016-001: Riverside County Department of Public Social Services, Countywide Contract Amendments and Competitive Bidding

BACKGROUND:

Summary

We have completed a countywide contract amendments and competitive bidding audit, which included the Riverside County Department of Public Social Services to provide the Board of Supervisors with an independent assessment of internal controls over contract amendments and competitive bidding process. We conducted the audit during the period October 19, 2015 through December 30, 2015 for active contracts during the period July 1, 2013 through August 31, 2015.

FORM 11: Internal Audit Report 2016-001: Riverside County Department of Public Social Services,
Countywide Contract Amendments and Competitive Bidding, [District: All]; [\$0]

DATE: June 14, 2016

PAGE: Page 2 of 2

BACKGROUND:

Summary (continued)

Based upon our audit, we identified opportunities for improvement of internal controls relating to contract amendments. We determined Riverside County Department of Public Social Services has adequate internal controls over competitive bidding. Reasonable assurance recognizes internal controls have inherent limitations, including cost, mistakes, and intentional efforts to bypass internal controls.

We will follow-up to determine if actions were taken to correct the findings noted.

Impact on Citizens and Businesses

Provide an assessment of internal controls over the audited areas.

Subject: Internal Audit Report 2016-001: Riverside County Department of Public Social Services, Countywide Contract Amendments and Competitive Bidding

Dear Ms. von Zabern:

We have completed a countywide audit to provide management and the Board of Supervisors with an independent assessment of internal controls over contract amendments and competitive bidding process. This report assesses the Riverside County Department of Public Social Services internal controls over the contract amendments and competitive bidding process. We conducted the audit from October 19, 2015 through December 30, 2015 for active contracts during the period July 1, 2013 through August 31, 2015.

We conducted our audit in accordance with the International Standards for the Professional Practice of Internal Auditing. These standards require that we plan and perform the audit to obtain sufficient, reliable, relevant and useful information to provide reasonable assurance that our objective as described above is achieved. An internal audit includes the systematic analysis of information to evaluate and improve the effectiveness of internal controls. We believe this audit provides a reasonable basis for our conclusion.

Internal controls are processes designed to provide management reasonable assurance of achieving efficiency of operations, compliance with laws and regulations, and reliability of financial information. Management is responsible for establishing and maintaining adequate internal controls; our responsibility is to evaluate the internal controls.

Based upon our audit, we identified an opportunity for improvement of internal controls relating to contract amendments. We determined the Riverside County Department of Public Social Services internal controls over competitive bidding provide reasonable assurance that its objectives relating to this area will be achieved. Reasonable assurance recognizes internal controls have inherent limitations, including cost, mistakes, and intentional efforts to bypass internal controls.

As requested, in accordance with paragraph III.C of the Board of Supervisors Resolution 83-338, management responded to the reported conditions and recommendations contained in our

**Internal Audit Report 2016-001: Riverside County Department of Public Social Services,
Countywide Contract Amendments and Competitive Bidding**

report. Management's response is included in the report. We will follow-up to verify that management implemented the corrective actions.

We thank the Riverside County Department of Public Social Services' management and staff for their cooperation. Their assistance contributed significantly to the successful completion of this audit.

Executive Summary

Overview

Riverside County Department of Public Social Services (DPSS) partners with community based organizations to serve the needs of the community. DPSS services include temporary financial assistance and employment services; programs and services to protect abused and neglected children and adults; and provide access to health care coverage to low income individuals and families. Services are provided through five divisions: Administrative Services, Adult Services, Children Services, First Five, and Self-Sufficiency. The Contract Administration unit falls under Administrative Services. Contract Administration is responsible for all aspects of contract management to include preparing amendments to the contracts and managing the competitive bidding process. The Contract Administration unit consists of twenty-one DPSS employee positions and two Purchasing and Fleet Services Department (Central Purchasing) employees. The Contract Administration unit typically contracts for services such as, physiological services, transitional housing, rental assistance, homeless assistance, shelter services, adult education services, crisis counseling, managed network services, sign language services, educational liaison services, background check services, state mandated services, software licenses, and training.

Pursuant to California Government Code Section 31000, the Board of Supervisors may contract for special services on behalf of the county, county officer, department, district, or court in the county. Riverside County Ordinance 459, indicates, the Board of Supervisors delegates contracting authority to the Purchasing Agent also known as Purchasing and Fleet Services Director. This ordinance authority includes the Purchasing Agents authority to approve contract amendments and the competitive bidding processes.

Purchasing Policy Manual dated, February 1, 2013, requires the Purchasing Agent to obtain approval from Board of Supervisors for purchases exceeding \$25,000, made without securing competitive bids and must competitively bid all purchases exceeding \$1,000. Subsequently, Central Purchasing revised the Purchasing Policy Manual on August 1, 2015 to increase the purchases exceeding amounts to \$50,000 and \$5,000, respectively.

Our sample population consists of all contracts that were active during our audit period of July 1, 2013 to August 31, 2015. Most contracts have a one year period of performance with the option to extend the contract for four years; as such, some contracts selected could be as old as calendar year 2008 contracts.

The county does not maintain a system that records all contracts used by County of Riverside departments. Each department utilizes their own computer systems for managing their contracts. As such, we utilized the County of Riverside's financial system known as PeopleSoft (PeopleSoft) database to select our sample of contracts for review of amendments and the competitive bidding process. The PeopleSoft database consists of contract records that were

**Internal Audit Report 2016-001: Riverside County Department of Public Social Services,
Countywide Contract Amendments and Competitive Bidding**

updated annually during our audit period. This update creates a new PeopleSoft contract that corresponds with the contract. Therefore, a one year contract with an option to renew four times could have up to five PeopleSoft contracts that correspond to the contract. Ninety-four PeopleSoft contracts used by the DPSS were randomly selected to review. Thirty-one were countywide contracts, 59 were DPSS contracts, and four were other department contracts. The 31 countywide contracts were reviewed during our review of Central Purchasing contract amendments and competitive bidding process since management of the countywide contracts is Central Purchasing's responsibility. Three of the four other department contracts are Riverside County Regional Medical Center (RCRMC) contracts that were reviewed during our review of RCRMC contract amendments and competitive bidding process. The other contract was a Riverside County Assessor-County Clerk-Recorder contract that was reviewed at Central Purchasing since they maintain files of all departments.

When a service or item is required, a bid number is established to begin the bidding process. A contract could be awarded to one or several vendors under one bid number. As such, several contracts could be established with one bid number. The PeopleSoft contract corresponds to a specific contract within a bid number. We provided a breakdown of contracts selected for the amendments and competitive bidding review at Attachment A.

Audit Objective

Our audit objective is to provide management and the Board of Supervisors with an independent assessment of the department's internal controls over contract amendments and the competitive bidding process.

Audit Conclusion

Based upon our audit, we identified an opportunity for improvement of internal controls relating to contract amendments. We determined the Riverside County Department of Public Social Services internal controls over competitive bidding provide reasonable assurance that its objectives relating to this area will be achieved. Reasonable assurance recognizes internal controls have inherent limitations, including cost, mistakes, and intentional efforts to bypass internal controls.

Amendments

Background

Amendments are formal changes to terms and conditions, scope of work, specifications or provisions of a contract. Reasons for issuing an amendment include but, are not limited to: revising, deleting, or adding terms; extending the period of performance; and increasing or decreasing cost of the contract. DPSS used formal amendments to increase and decrease annual cost, revise terms of the agreement, and extend the period of performance. We documented the amendments reviewed in Attachment B.

During our review of contract amendments, we noted that most original Form 11s submitted with the contracts for Board of Supervisors approval, indicated that the Purchasing Agent could approve amendments for increases that did not exceed the annual Consumer Price Index (CPI). We used the Los Angeles-Riverside-Orange County CPI, All Items, 1982-84=100 for All Urban Consumers annual average for our review of this term. The Los Angeles-Riverside-Orange County CPI provides a more accurate rate of change for the County of Riverside than the nationwide CPI and the base rate of 1982-84=100 is the most common reference base used to calculate the CPI.

Objective

Our audit objective is to provide Management and the Board of Supervisors with an independent assessment of internal controls over contract amendments processing.

Audit Methodology

To accomplish our objectives, we:

- Identified and reviewed policies, applicable laws, codes, regulations, and ordinances.
- Conducted interviews and performed walk-throughs with office personnel.
- Utilized PeopleSoft queries to identify cost charged to each contract.
- Selected samples of contracts to perform detailed testing of amendments.

Finding 1: Increases in Annual Compensation

DPSS did not obtain Board of Supervisors approval to increase the annual compensation of some contracts. Our review of fifty-nine contracts disclosed two (3%) contracts contained a term on the original Form 11 authorizing the Purchasing Agent to approve cost increase amendments not exceeding the annual Consumer Price Index (CPI) increase. However, two contracts increased annual compensation above the CPI without obtaining approval from the Board of Supervisors. Following are the two contracts that exceeded the CPI threshold:

**Internal Audit Report 2016-001: Riverside County Department of Public Social Services,
 Countywide Contract Amendments and Competitive Bidding**

<u>Contract ID</u>	<u>CPI Period</u>	<u>Increased Amount</u>	<u>Amount Allowed</u>	<u>Variance</u>	<u>POC*</u>	<u>CPI</u>	<u>Variance</u>
CS-02399	7/1/11-6/30/12	\$456,445	\$413,862	\$42,583	10.29%	2.20%	(8.09)%
CS-02418	7/1/11-6/30/12	390,000	370,000	20,000	5.41%	2.20%	(3.21)%

* POC - Percentage of Change.

It was believed that the Procurement Contract Specialist had authority to sign amendments that increased cost within ten percent, which is known as the ten percent rule. The ten percent rule would have been allowable if stated on the original Form 11; however, it stipulated the use of the CPI increase. Increasing the maximum dollar amount of a contract without a formal approval by the Board of Supervisors may result in disputes between the County of Riverside and vendors that require legal proceedings to resolve.

Recommendation 1

Obtain Board of Supervisors approval on all cost increases greater than the annual CPI increase when the original approved Form 11 requires it.

Management's Response

Concur. As of December 2015, DPSS Contracts Administration Unit (CAU) no longer uses the motion authorizing the Purchasing Agent to sign amendments up to the annual CPI rate; instead, the motion authorizes the Purchasing Agent to sign amendments up to a maximum percentage of the total contract amount. Below is a sample of the motion the department utilizes on all Form 11s where we are seeking approval to award Agreements with monetary value:

Authorize the Purchasing Agent, in accordance with Ordinance No.459, to sign amendments that do not change the substantive terms of the Agreement, including amendments to the compensation provision that do not exceed a 10% contingency, based on the availability of fiscal funds for required services as approved to form by County Counsel."

Actual/estimated Date of Corrective Action: December 1, 2015.
